**REQUEST FOR GUARANTEED MAXIMUM PRICE (GMP) BID PROPOSALS  
FOR CONSTRUCTION OF  
ECHOWATER PROJECT  
EFFLUENT VALVE REPLACEMENT (EVR) PROJECT  
CONTRACT 4398**

Regional San in Sacramento County, California, invites the following formally pre-qualified General Contractors (hereinafter referred to as “Contractors” or “Proposers”) to submit sealed proposals for furnishing all labor, equipment, materials, and services specified for the construction of the Effluent Valve Replacement (EVR) Project, Contract 4398, in conformance with the Contract Documents.

The Work generally consists of replacing valves, pumps and related piping and electrical components at the Sacramento Regional Wastewater Treatment Plant (SRWTP) to upgrade its existing effluent discharge system. The preliminary estimated cost of construction, including the Owner-furnished valves, is between \$6,000,000 and \$8,000,000. Regional San will provide the contractor with the replacement valves, which have a value of about \$1.5 Million.

This Project is a sewer maintenance or repair project covered by Public Contract Code section 20783.

A mandatory pre-proposal meeting to discuss the Project will be held at 9:00 a.m., local time, December 12, 2017, at the Sacramento Regional Wastewater Treatment Plant (SRWTP) Administration Building, 8521 Laguna Station Road, Elk Grove, CA. At this meeting, representatives of Regional San and its consultants will discuss the Contract Documents, proposal submission requirements, site constraints, order of work and other items specific to this Project. A project walk-through will follow immediately after the pre-proposal conference meeting. A sign-in sheet will be available up until commencement of the pre-proposal conference meeting only. Attendance at the entire pre-proposal meeting and project walk-through is mandatory for each Contractor proposing. Proposals received from Contractors who did not sign the sign-in sheet and attend the meeting and project walk-through will be returned to the Contractor unopened. Attendance by subcontractors is not mandatory, but all interested prospective subcontractors are encouraged to attend. Regional San will transmit Addenda to the Contractors, as Regional San considers necessary in response to questions raised at the meeting and walk-through. Oral statements not confirmed by Addenda may not be relied upon and are not binding or legally effective. Except for mandatory walk through, no other access to the project

#### B. EXAMINATION OF CONTRACT DOCUMENTS

The Contract Documents consist of Volume 1 – Request for Bid Proposal Documents, Volume 2 – Project Manual, Volume 3 – Specifications, Volume 4 – Project Description, and Volume 5 – Project Drawings and Record Drawings Information.

Any Proposer planning to submit a Proposal is responsible for examining with appropriate care the complete Contract Documents and all Addenda, and is also responsible for informing itself with respect to all conditions, which might in any way affect the cost or the performance of any work. Failure to do so will be at the sole risk of the Proposer, and no relief can be given for errors or omissions by the Proposer. The submission of a Proposal shall constitute an acknowledgment upon which Regional San may rely that the Proposer has thoroughly examined and is familiar with the Contract Documents and that the Proposer has waived any objections or contentions regarding the Contract Documents and/or the GMP Proposal submission requirements. The failure or neglect of a Proposer to receive or examine any of the Contract Documents shall in no way relieve it from any obligation with respect to its Proposal or to the Contract. No claim for additional compensation will be allowed which is based upon a lack of knowledge of any Contract Documents.
