NOTICE OF INTENT TO AWARD CONTRACT 4398

EFFLUENT VALVE REPLACEMENT (EVR) PROJECT

The Sacramento Regional County Sanitation District (Regional San) has advertised for bid proposals for a Guaranteed Maximum Price (GMP) contract for the construction of the EchoWater Effluent Valve Replacement (EVR) Project at the Sacramento Regional Wastewater Treatment Plant.

Regional San received bid proposals from the following firms on January 12, 2018:

- C. Overaa & Co.
- Kiewit Infrastructure West Co., and
- Western Water Constructors, Inc.

The bid proposals have been evaluated and Kiewit Infrastructure West Co. has the highest overall ranking. A summary of the evaluation results is provided below:

EchoWater Effluent Valve Replacement (EVR) Bid Proposal Results				
	Rankings Weight	Western Water	Overaa	Kiewit
Technical Proposal Rankings	50%	3	2	1
Cost Proposal (Commercial Terms)	50%			
Total Proposed Guaranteed Maximum Price (GMP)		\$5,131,055	\$6,830,000	\$5,899,616
Proposed Total Mark-Up for General Overhead & Profit		25%	25%	8%
Proposed Project Total Cost Savings-Percentage to Owner		60%	60%	50%
Percentage of the Work self-performed by Contractor		92.2%	86.0%	93.7%
Cost Proposal (Commercial Terms) Rankings		1	3	2
Overall Ranking		2	3	1

Regional San staff intends to make a recommendation to the Regional San Board of Directors (Board) to award a contract to Kiewit Infrastructure West Co., at the Board meeting on March 14, 2018.

Questions or comments to this Notice of Intent should be directed to Project Manager, Dane Coyle, at EVR@sacsewer.com in writing.

Best Regards,
