**SUBJECT: Request for Proposal (RFP) 8276 Sims Ranch
Complex Stabilization Project**

Dear Mr. Callender,

Thank you for your proposal submittal and participation in the RFP process. Regional San only received one submittal and did not anticipate the full proposed cost. At this time, Regional San Management has decided to reject the proposal received and cancel the RFP.

Regional San will be requesting bids for the windows repairs and painting in two separate RFBs. In addition, our crews will be working on mold and bird dropping abatement, and preparation of a site drainage plan between now and the spring. Regional San will release a RFP for the remaining stabilization work at Sims Ranch in early Spring 2019. You may visit the Regional San Business Opportunities webpage for RFB and RFP opportunities.
