INTRODUCTION

INVITATION: The Sacramento Regional County Sanitation District, Purchasing & Material Support, invites Responses which offer to provide the goods and/or services identified on the Cover Sheet, page 1.

DEFINITIONS: We intend to express our expectations clearly, and they are to be legally interpreted in our favor. Certain words are used throughout this document:

We/Us/Our: are terms which refer to the Sacramento Regional County Sanitation District, a duly organized public entity. They may also be used as pronouns for various subsets of the District organization, including, as the context will indicate:

District – Sacramento Regional County Sanitation District (REGIONAL SAN)

You/Your: are terms which refer to businesses having some sort of relationship to or with us. The term may apply differently as the context will indicate. For instance, “you” as a Vendor will have different obligations than “you” as a Proposer or Supplier will have:

Supplier - A business entity which may provide the subject goods and/or services.

Proposer - A business entity submitting a response to this Request for Proposals. Suppliers which may express interest in this RFP, but which do not submit a Response, have no obligations with respect to the proposal requirements.

Vendor - The Proposer who’s response to this RFP is found by Purchasing to meet the needs of the District. Vendor will be selected for award, and will enter into a contract for provision of the goods and/or services described in the RFP.

RFP: This entire document, including attachments.

Response: The written, signed and sealed document submitted according to the RFP instructions. Response does not include any verbal or documentary interaction you may have with us apart from submittal of a formal response.

RFP CLARIFICATION: Questions regarding this RFP should be directed in writing to the Issuing Officer specified on the Cover Sheet, page 1. Answers, citing the question, but not identifying the questioner, will be distributed simultaneously to all known prospective Proposers.

RFP Amendment: If it becomes evident that this RFP must be amended, we will issue a formal written amendment to all known prospective Proposers.

Proposer Responsibility: We expect you to be thoroughly familiar with all specifications and requirements of this RFP. Your failure or omission to examine any relevant form, article, site or document will not relieve you from any obligation regarding this RFP. By submitting a response, you are presumed to concur with all terms, conditions and specifications of this RFP.

AWARD: Award will be made to the lowest responsible proposer.

CONTRACT EXECUTION: This RFP and the Vendor’s response will be made part of any resultant Contract and will be incorporated in the Contract as set forth.

Protests: After receipt of the District’s “Intent to Award” notice, any proposer who has questions or concerns should immediately contact the Issuing Officer for discussion. Any proposer who believes that they have grounds for a protest must submit a written protest on company letterhead within three (3) business days after the Intent to Award letter has been sent out. Any protest letter must state the specific grounds for protest and the actions being requested of the District. **No protest received after 4 p.m. on the 3rd business day shall be accepted.**

If any District holiday falls within the 3 business day protest response period the protest acceptance period will be extended by the holiday(s). For example, if the Intent to Award notice is issued on a Friday, a protest must be received by Wednesday at 4 p.m. Should any of the 3 days be a County holiday the deadline will be extended by the number of holidays occurring during the 3 business day protest response period.

Precedence: In the event of contradictions or conflicts between the provisions of the documents comprising the Contract, they will be resolved by giving precedence in the following order:

- 1) the provisions of the Contract (as it may be amended);
- 2) the provisions of the Proposer’s Response (as it may be clarified);
- 3) the provisions of the RFP (as it may be supplemented);
- 4) the provisions of the County Standard Specifications.

CLAIMS: Claims for \$375,000 or less shall be in accordance with Section 20104 of the Public Contract Code.
